

First Time Self Storage Guide

So...what is self-storage?

Self-storage is an affordable, efficient way for you to store your life's possessions. ***Penn Valley Mini Storage*** makes it easy to store items of all shapes and sizes in one convenient storage location.

How do I use it?

Self-storage can be used for many purposes:

- As an extension of your home; a place to store seldom used items
- To store seasonal items such as decorations or sports equipment
- As a business storage solution to de-clutter your office
- To free up garage space so you can actually park your car in it again
- and many more!

How do I know what size I need?

Create a list of the items that you are going to be storing. Choosing the right size unit will ensure that you only pay for the storage you need. Visit our size guide to determine exactly what size you will need, and then check out our helpful storing tips for maximizing your storage space!

How long do I need storage?

Our month-to-month rentals give you the flexibility to choose just how long you require your unit.

Do I need to have a lock?

You provide your own padlock ensuring that you, and only you, have access. Don't have a lock? No problem, we offer a wide range of locks, packing and moving supplies to make your move stress-free. Even better, we offer all of these great moving supplies at very affordable prices.

Do I need insurance for my stored goods?

Yes, you are responsible for those items you store. We offer affordable self storage insurance options at the facility.

How do I get my items to the unit?

Many of our locations have extra wide drive aisles, allowing your rental truck or movers easy access to your unit. Penn Valley Mini Storage will soon offer U-Haul local truck rentals exclusively for our customers.
